Vesper Hills Update - "Look what love does!"
Or "Look what God is doing!"

The Bible says, "God is Love" I John 4:16 - "And so we know and rely on the love God has for us. God is Love. Whoever lives in love, lives in God, and God in them." There wasn't much going on at Vesper Hills this summer until the Lord sent us a youth group from West Virginia. The youngsters from this group came up and worked all day at Vesper Hills on a Saturday in July. They helped make the grounds look so much better. At about the same time, we started getting phone calls about Church Ladies Groups wanting to use Vesper Hills for weekend retreats. We now have every weekend in September AND October scheduled with activities! We have 4-H kids, 4 Ladies retreats, a birthday party, a bonfire/hay ride, and Faith/Champions Men's group on the schedule. The months of November and December are starting to fill up too. Please keep a close eye on the church calendar, so you can enjoy what the Lord has blessed us all with. The Champions Network leases the property, but remember, Faith Church owns Vesper Hills which has become a real community center. Please come and enjoy the gift. Tina and I are the directors of Vesper Hills. If you would like to use Vesper Hills or have an idea for it's use, please let us know. Thank you Faith Church, Chris & Tina Roberts - 740-403-3958

Licking County Champions Network Note - And God is able to bless you abundantly, so that in all things at all times, having all that you need, you will abound in every good work. 2 Cor 9:8!

The month of July God challenged our faith and trust in Him. Much like the hot and dry summer weather, our finances also dried up. We were put to the test and we leaned heavily on the Holy Spirit and God's provision and He provided an abundance of food and enough income to make it! As "The Blessing" song states, "The Lord bless you And keep you. Make His face shine upon you, and be gracious to you. The Lord turn His Face towards you, and give you peace"

In July we served 395 meals and delivered 500 lbs of produce to 10 families in need. We were able to put 1 person in treatment and transported 75 people to appointments and church services. The Lord provided everything to make this happen.

We as the church need to pray for our community due to the recent spike in overdoses in our area as we continue to fight this battle.

The Champions Network is so grateful for Newark Faith Church as together we continue to do battle against all of the principalities and powers of darkness that still try to invade this region!

To God be all of the glory!
