### MINISTRIES ABOUND

On September 12-14, the ladies of Faith Church were SO blessed! We gathered around 5:30-6PM on the 12th and stayed the weekend at Vesper Hills (some came and went each day while others stayed the entire time).

The Love Life Conference by Joyce Meyer, did not disappoint. There were three main speakers, Joyce Meyer herself, Priscilla Shirer, and Christine Caine with Worship led by TAYA and Riley Clemmons. The worship was a little piece of heaven, the messages were spot on! We laughed, cried, and worshiped. Got our posteriors "spanked", our emotions soothed, and a new found love for our Lord and Savior Jesus Christ, for some, for others it was a refreshing of that love. We heard about the women who were being rescued, which tugged at our hearts because of the trafficking that has been occurring. We were touched by the number of women (and yes some men) who went forward to accept Christ as THEIR Lord and Savior after the one evening service.

Going into the weekend, I don't think any of us knew exactly what to expect. Just good food and fellowship were the expectations. Which, there WAS some pretty tasty yummys. Thank you David & Wayne, and Chris R.

So to recap:

1. Amazing Peace (if you have never experienced peace of God, true peace, you need to take a weekend and stay at Vesper Hills just soaking in the peace).
2. Awesome Worship (just listening to the Worship music and joining in with the other women was awesome. Raising our voices in Praise to our King of Kings.)!
3. Blessed speakers (everyone knows Joyce Meyer, if you don't you need to! Priscilla Shirer and Christine Cain were amazing as well)!
4. Food. (What can we say, the food was just simply scrumptious and abundant - we never ran out.)!

We are beginning to plan for next year! So, if you were unable to attend this year, plan on attending next year, because I KNOW you'll be blessed beyond your wildest dreams!

Licking County Champions Network Note - Make me to know Your ways, O Lord; teach me Your paths. Lead me in Your truth and teach me, for You are the God of my salvation; for you I wait all the day long. - Psa 25:4-5

In August we began a series on Wednesday nights called the "Effect Series" This series enables those who were or currently are in active addiction to get an inside teaching on how these substances affect their minds, bodies and spirit. After the class we end by showing God's plan for escape and freedom from addictive tendencies from scripture.

In August we served 369 meals and delivered 300 lbs of produce to 5 families in need. We transported over 100 people to appointments and church services. We also were able to employ 5 people to work for a total 12 hours for Workforce Development

The Champions Network is so grateful for Newark Faith Church as together we continue to do battle against all of the principalities and powers of darkness that still try to invade this region!

To God be all of the glory!
